

## Policy

The District Council of Barunga West is committed to a high level of pro-active Work Health and Safety (WHS) management in line with the organisational purpose to proactively protect and manage Local Government's employee injury risks today and into the future

To facilitate this, the District Council of Barunga West is dedicated to provision of a Communication and Consultation system that allows for;

- The provision of relevant, clear and current information on WHS matters to relevant workers, their representatives and duty holders so far as is reasonably practicable.
- The provision of systems for effective consultation, cooperation and coordination, including between duty holders (who share responsibility for the same WHS matter), management, and workers (who carry out work for Local Government and are or are likely to be directly affected by a WHS matter) and their representatives in accordance with legislative requirements and the Performance Standards for Self Insurers (PSSI) so far as is reasonably practicable.
- The provision of systems to facilitate worker participation and representation.

Key elements of the Council's Consultation and Communication system are:

- WHS Communication Procedures.
- WHS Consultation Cooperation and Coordination Procedures.
- WHS Employee Survey Processes.
- Staff meetings and training.

The organisation will regularly review in Consultation with relevant workers, subject area experts and other duty holders (as necessary):

- The effectiveness of this policy and supporting procedures to identify opportunities for continuous improvement.
- Adherence to this policy and the supporting procedures and take appropriate action where non-compliances are found.
