2. If any time before the Event the Council so requests, the Permit Holder must convene a meeting (at the Council's premises) with the Council and other stakeholders to discuss planning for the Event – and within 7 days after any meeting, the Permit Holder must distribute draft minutes of the meeting.
3. The Permit Holder at its cost must supply and install all things needed for the Event or for the safety or convenience of participants or patrons. The Council is not obliged to supply any information, materials, plant, equipment or other goods or services for the purposes of the Event. If Council agrees to supply equipment or services for the Event it may recover a reasonable fee.
4. The Event Organiser shall take out and keep current a Public Risk Insurance Policy in the name of the Permit Holder insuring the Permit Holder for the minimum sum of Ten Million Dollars (\$10 000 000) against all actions, costs, claims, damages, charges and expenses whatsoever which may be brought or made or claimed against the Permit Holder in relation to the activity.

5. The Event Organiser or any other participant, (e.g., a vendor of merchandise), where appropriate, shall ensure that it is licensed or registered to carry out the activity authorised by the issuing of this Event Permit. Any plant or equipment of the Permit Holder or its invitee, must be presentable, clean, safe, and positioned and kept within the Event Area boundaries. Equipment and structures must be removed from the Event Area or secured at the close of business on each day of the Event. A marquee, staging, scaffolding or other temporary structure brought upon the Event Area must be installed by qualified persons; any electrical works must be carried out by qualified electricians; any plumbing works must be carried out by qualified plumbers. 6. Activities of the Event must be of a kind, scope and duration as last approved by Council.
7. The Permit Holder must not suffer upon the Event Area any disorderly conduct or a public nuisance. In the case of a problem, the Permit Holder should call the Police and not the Council.
8. The Permit Holder must keep the Event Area safe, reasonably clean and free of rubbish. Any broken glass or spilt rubbish upon the Event Area must be promptly cleaned up.
9. On the same day as it occurs or, if that is not practicable, on the next working day, the Permit Holder must report to Council:

10. Within 2 working days after the completion of the Event from any cause, the Permit Holder must restore the Event Area to at least the same condition that existed before the Permit Holder first occupied the area. The Permit Holder bears the cost of all repairs carried out by Council within the Event Area which in the Council's opinion were made necessary by the Event, fair wear and tear excepted.

13. If by reason of the Permit Holder's (or its invitee's) default or negligence the Council claims under against the Local Government Association Mutual Liability Scheme or under insurance held by Council, the Permit Holder bears any excess or deductible for that claim.

14. The Council does not warrant the Event Area as fit for purpose or safe.
15. No reverse duty of care: If the Council gives a consent, approval or direction, accepts any work or inspects anything for the Event Permit:
 - the Council does not have a duty of care to the Permit Holder for that thing; and
 - the Permit Holder is not to any extent relieved from its obligation to comply with these conditions.
16. Without liability for the Council, if the Council has reason to believe the Permit Holder is in default under these conditions, upon 2 days' notice (or less in the case of an emergency) the Council may take steps to rectify the problem and recover the costs from the Permit Holder.
17. The Council may have recourse to the security for any loss or damage caused by the Permit Holder's breach of a condition, any unpaid fee and / or an amount for which the Council is entitled to be indemnified. The Permit Holder's liability is not limited to security.
18. The Event Permit:

 - is not transferable
 - may be surrendered at any time, by so notifying the Council;
 - is revocable by the Council as Local Government Act 1999 allows.

During the period covered by the Event Permit, a copy of the Event Permit must be kept upon the Event Area, and upon demand produced to an authorised Council employee.

20. The Council grants the Event Permit under Local government Act 1999 s. 202 (in case of community land) and s. 222 (in case of a public road) and not in any other capacity. The Special Event Permit does not preclude or pre-empt the exercise by Council of any other regulatory function or power.
21. If the Permit Holder is more than one person, each of them is bound jointly, and also severally. The Permit Holder is liable to the Council for anything done or not done by the Permit Holders invitee (including, without limitation, an officer, member, employee, contractor, agent or patron of the Permit Holder) that if done or not done by the Permit Holder would breach these conditions.
22. The parties are independent contractors and not co-promoters, partners, joint venturers, principal and agent, trustee and beneficiary for the Event or other purpose. Neither party may pledge the credit of the other party, nor purport to enter into obligations on its behalf.

- 23. Permission is liable to be revoked by Council if the Event Organiser fails to comply with any condition or in any other justifiable circumstance. The decision of Council will be final.
- 24. Permission to commence the Event will not come into operation until proof of all required documentation has been provided to the Council and a Special Event Permit, authorised by Council, has been returned to you.
