

## WARM WATER SYSTEM

### REGISTRATION FORM

#### INFORMATION TO APPLICANT

#### **About this Application Form**

The SA Public Health Legionella Regulations 2013 require the owner of premises on which a warm water system is installed to ensure the system is registered with the Local Council for the area in which the premises are situated. This form is designed for the mandatory registration of warm water system(s) under the SA Public Health (Legionella) Regulations 2013 and must be completed in its entirety.

#### **Registration / Registration Renewal Fees**

Registration / Registration renewal fees payable to Local Council are prescribed in Schedule 1 of SA Public Health (Fees) Regulations 2020 as follows:

For Registration of 1 warm water system	\$40.50
For Registration of each additional warm water system installed on the same premise	\$27.00
On application to an authority for renewal of registration of a high risk manufactured water system (per system)	\$20.40

Please note: These fees do not include inspection fees; testing fees and applications to the minister.

#### **Changes requiring notification to the Local Council**

There are a number of mandatory requirements related to the registration of warm water system(s), including the following:

- Registration remains in force for a period of 12 months after which the applicant must renew the registration to the authority.
- The owner of the premises on which a high risk manufactured water system registered with the Local Council is installed, must within 1 month after any change in the particulars registered in relation to the system, notify the authority of the change.
- If a high risk manufactured water system registered with the authority is decommissioned, the owner of the premise on which the system is installed must notify the authority of the decommissioning within 1 month after the event.
